

The Global Asthma Network (GAN) is delighted to invite you to attend the

Global Asthma Network Symposium 2024:
Improving access to affordable inhaled medicines
for all

22 January 2024
Auckland, New Zealand

This exciting all day event will include presentations and discussion of GAN Phase I papers and invited perspectives from asthma experts from New Zealand, the Global Initiative for Asthma (GINA), World Health Organization and others

The GAN Symposium will be held in Auckland, New Zealand on Monday 22nd January 2024 at the University of Auckland Grafton Campus

This symposium builds on GAN's state of the art Global Asthma Report 2022 - www.globalasthmareport.org

Livestream and on-demand options will be available

The Symposium is free to attend.

Save the date and register your interest
